### 1980 Mr.Olympia Double DVD Set

**Price: \$55.00**

Disc #1: 60 minutes

Held October 4th, 1980 at the Opera House in Sydney, Australia. This is the contest in which Arnold made his "comeback" after five years of retirement, and gained his seventh Mr. Olympia title.

The line up also included Mike Mentzer, Chris Dickerson, Frank Zane, Boyer Coe, Roy Duval, Casey Viator, Roy Callender, Ken Waller, Samir Bannout, Tom Platz, Danny Padilla, Roger Walker, etc.. Includes prejudging footage plus the show.

The most controversial Mr. Olympia of all time! Strictly a contest video showing all competitors, and quite different to the video called "The Comeback".

This is Digitally remastered film to DVD transfer, music added in places. Mostly live soundtrack is heard, with special comments from Wayne Gallasch who filmed this historic contest.
